“ Mom, I didn't get a chance to tell you that the Dodgers finally won the World Series. Justin Turner was taken out of the game because he tested positive for Covid-19. Also Biden is our new president of the United States 🇺🇸 Oh and Alyssa brought baby Krue to Joplin, he's so adorably cute. I got to hold and feed him, that baby smell is the best but you already know that. Have you met up with Steve yet? What about my Uncles or Aunt Sherry or Grandma Cole and many others who have passed before you? I hope Raider and Sadie are keeping you company . We love and miss you 🥺 Love, Cathy
