“ *Where to begin. Angela Dawn was my best friend. We went through a lifetime of friendship together. Shared our ups and downs. Births of our children. Hopes and dreams. 32 years of friendship and love. To many favorite memories to choose only one. I choose them all. Angela you will be forever in my heart and thoughts. I will think of you daily as I always have since childhood. Bless your children, husband, and parents as they try to find peace through this all. I will forever and always love you. Thank you for allowing me to know you and be a part of your life. Until we meet again my dear friend.*
