“ I am his grand daughter Shandra.. We didn't see him as much as we would of liked. But I will always miss his big strong hugs. He was always so sweet and kind, had a sweet voice. His hugs were like no other. He will be missed. I had seen him in a couple years and I really regret that. Life got in the way and now I can't get that time back. I will always remember your hugs and warm embrace. Love u Granpa.

Art was my father in law...he gave me his son whom I love very much...My children only had him for a grandfather in their lives and so this was hard for them but they have nothing but good memories!...They will never forget the faithful visits, the big hugs, the " your beautiful honey" comments and your laugh and lets not forget the bags of candy..lol!!! We will miss you but will be looking forward to being with you in heaven with Paula and your parents and your siblings...save us all a place at the Saviors table dad!!!!...I love you!!!
