“ *Be at peace and know that we are all taken care of. I'm thankful for the years we had, the lessons taught, and the love and support you have to each of us. I will not disturb your light with sadness and grief. It's your time to be free of pain and suffering. Rejoice and praise the Lord and soon we'll be reunited. I Love You*

“ *My mom was the best! She loved her kids so much and was so very proud of each one of us. I do not know how to function without my mom but she will be with me to guide me through this. I love you and miss you so very much momma.*
