“ Precious and brave indomitable Betty, your life offered me courage from the example you set, overcoming seemingly indomitable challenges!

Probably the most beautiful home I ever had the privilege of spending a joyfilled weekend in, your Bed And Breakfast wasn't even yet open when you took my husband in for a week as he transferred to Carthage with The MNA Railroad.

I believe we became your first friends there and you were assuredly ours!

Your joining our Trade Exchange allowed for the affordable hosting of my parents and several of our many family members from across the USA to be treated to a gracious, unforgettable weekend in Charming and historic Carthage.

When you put in a pool in your backyard and your lovely granddaughter Summer taught our sons., John and James Hatler to swim, the fun really began!

We were privileged to have met your ailing husband early on, whom is surely happy to have you again IN HEAVEN.

YOU ARE MISSED, DEAR ONE, BUT NEVER FORGOTTEN!

Please kiss The Good Lord for us and save us a spot in Heaven for us as we cram for the FINAL EXAM!

Much love, Tessa and Chuck Hatler

“ *Will miss my big sister who I loved and shared many memories with. She did so many things with me growing up, she will always be with me, and pray she will dwell in the house of the Lord forever.

“ *Grandma Betty was always warm and welcoming. As a teenager when I'd come and stay the night at the bed and breakfast with Summer, she always had a warming smile. Her hugs were always the best, they took any sorrow away. Love you Grandma Betty, fly high.*
