“ *The first memory I have of Brian, was a tiny baby. As we passed thru the dessert on our way from MO to live in CA in 1960! Then we often saw him at Uncle Sidney's when all the family gathered thru the years. The boys all grew up together along with our daughter, Mary's 2, Wilma's 2, Jrs. 3, our 5, with just one girl, our beautiful, wonderful Daughterwho recently left us for Heaven, too!*
