“ Mom truly sacrificed to provide for our family. You used to say “ if these are the golden years, where’s the gold”. All you had to do was look in the mirror. I will love you forever and always. Kim

“ The summer I worked with Carol at march of dimes health hike, we had so much fun getting lost, we found all kinds of cool little stores and things. Also remember the blister I came home with on my feet. It was worth every blister for the fun time we had and the memories I laugh about. I miss her dearly and love her so much. Love always sue

“ Carole, aka Mom was just that a mother to me while growing up. Carole took me under her wing when I was only 8 years old and she has always meant the world to me. I loved her sense of humor and her no nonsense ways with life and her issues. My heart is broken for all the family because to know her was to truly love her. ❤️ You have your wings now Carole, fly high until we meet again. I will miss you forever.
