“ *Aunt carolyn you always called me your first little girl when i was little you would take me on the bus to newmans and buy me dresses and i would go home and tell uncle jack on you when you would tell me not to. We would go to shermans for lunch on main street and you took me to get a pixie haircut which was so bad i cryed all the way home and mom and dad had a fit when they saw it. You were in so much trouble.we always laughed about it later but never forgot it i will miss our phone calls all the time.Ilove you. Debbie*

“ Carolyn dated my brother, Jerry Moore, when we were around 15 or 16. We had so many fun times together, even dressing the same some times. To her children I am very sorry for your loss. She was so much fun to be around when we were teenagers.

Sweet Carolyn and I were together all thru grade school! Walked home from school every day! I moved to Iowa in 58 so got a little out of touch! Got to talk to her a few years back! I was so happy to see my sister was a best friend Sue Gilliam! Both she and Carl have passed in the last couple of years! Sending prayers and condolences to her family and friends! I cherish the fun we had together! I know she will be missed! Personally plus!!! Respectfully Janie Durham Wood! ❤️
