*A beloved father, and one of my biggest supporters. This man showed me the magic that was in the world, and a love for the old movies and shows. I shall miss him every day so much. May you be at peace and watch over us. You are loved, thank you for being an amazing dad. It has been hard to watch you struggle this past year, but your smiles and loves you meant the world to me. Always in my heart, your rugrat
