

Cindy M Hunn

February 27, 1960 - March 16, 2022

Cindy Marie Hunn left this earthly realm on March 16, 2022 in her home, surrounded by loved ones, after a long battle with metastatic breast cancer. She was 62 years old.

It would be wrong to say that she lost her battle because she never stopped fighting. No matter how sick she was, she was always determined. When anyone else would have broken, she stayed strong. Through her, we know what resilience and perseverance truly look like. Just because she is no longer here, doesn't mean she lost her fight.

Cindy was an exceptional mother. She cared deeply for her family and friends. She did this not out of obligation, but because of who she was. She was always the first to offer help. She was referred to as an "adoptive mother" to many who needed a motherly figure. She ensured that every child who crossed her threshold was fed, safe, healthy, and happy. Her famous words were "No one loves their children more than me." Her sacrifices and love for her children was noticed by all who knew her.

She is survived by her 4 children and 3 grandchildren.

Arrangements are by Midland Cremation Society of Joplin.

“ *Cindy I love you so much & you will be greatly missed that is for sure.*
I have known Cindy for almost 30 years now.
Cindy loved Jesus Christ with her whole heart & soul & she was a Godly example to me as I grew up & became a woman, wife & mother.
She taught me so many things I cannot even count them. I watched her be a wonderful strong & brave woman who tried to put God first.
When I needed her she always took time to talk to me even when nobody else would.
Cindy was a wonderful friend to me over the years & I am so thankful that I had her in my life for so many years & her memory with live on in my life & my families life as well.
I know that I will see her again one day!
Thank you Jesus for bringing Cindy into my life I cannot imagine my life without having had her in it.
One of the reasons I am saved today is because of Cindy & her Godly example.
