“ I practically grew up with Dale and his whole family. Boy Scouts, worked together, played probably a thousand softball games together. Dale was good people, from a good family, who i learned a lot about how to be a good honest man from. Although we had not seen much of each other as of late, Dale was like a brother to me, I am saddened that his family and friends will have to miss him. But he has gone on to a great place. God bless all the family . Greg Richmond
