“ Cathy so sorry for your loss, Cody was an amazing and talented Guy, just like his Father. I was blessed to have known both of them. I gave Cody some equipment a long time ago knowing he was a gifted musician. I am praying for you and your Son, and the family please accept my sincere condolences

Leo we appreciate your condolences. Cody was one of the most driven beautiful son. Leo Cody excemplied life. He got into a little trouble back 2013!! They waited until June of 2016. To ruin Cody's lifetime plans., as he graduated with honors five years PHYSICS. He was ready to start using her bachelors degreee in Science at MAYO CLINIC, I made the mistake of resting a high powered attorney to protect & his cute. The lawyer backbafired becausecjudt kept putting off, I watch as my son's spirit was detroyed, his pride, joy and spirit became so low, considering he was a five long year college graduate. I could go on about what these old folgies did to my son I'll save it. Bottomline Cody accidentally kileed himself . And i will forever feel guilty that I didn't revine in time. Leo this has be pain that cannot be described, actually not of this world. He was my soul mate and nurtured his mama. Thank you kindly for your condolences. I just simply ask the family I know that Prsys that they include Ryan(is only blood brother) to please be with as well. Ryan is doing well. He was w it's APPLE for three years or more. He's now writing for GOOGLE, he's published many Manuel's.. he plans on make ing a relocation in Seattle WA. INA YEAR OR DO, after he had moved I will soon follow some suburb of WA. Yo be close to my son . Lie I'm so happy to see all the smiling faces I only wish you joy. Harmony and happiness in your family's life. I love your kids if they were my own. Highly polite sweet gentle sweethearts. Have a good Christmas, ours will be much somber, butcwith Prayer we can get through anything . Love you, miss you. Kathy McgInnis

“ *There's so much to be said. I sit and remember every quirky comment, out of this world statement, or just off the top of your head question you would give me. Always a method to the madness. Now I realise you just loved to throw me off. I will never forget you Cody. Proud to know you're my Brother. Rest easy. I Love you.*
