“ My sincere condolences to Daltons family I know and did not know. My life will never be the same without you Dalt Man. I miss you so much, so so much. You are gone way too soon. You're with your Momma now, and so many more. Life will never be the same without you. I keep wanting to pick up the phone and see how you are doing, but I know you are doing good. I love you Dalton. You are Free now. When you were a little guy and I was getting ready for night shift, I would play my stereo and you would come to me and say play this one! You had a favorite one and we would rock out to that one. You would dance dance dance until I had to leave for work. I love you little buddy and big guy. Until we meet again nephew. I love you, Aunt Ginger
