“ *A Heartbreak for Darren Elliot*
The one I loved first was the one who first loved me. Darren Elliot, you were the one who gave me the desire to care and extend hugs of love. The love we shared was predicated on you being the first baby, the eldest grandchild, and of course, my company keeper. When you were born, you taught me how to be a loving aunt and to love people who first loved you. During your childhood, I can vividly reflect on spiritual memories at Quinn's Chapel A. M. E. Church and your abilities to spread God's word. As you grew, I witnessed a magnificent person being formed. I saw a man mature at Grambling, though I did not care for your choice of college, but the compassion we shared as aunt and nephew was a representation of how any family should act. When it came time to let you mature as a man, I cried from within, but I knew you would keep a part of me in your heart, always and forever. Today, I am thankful for your mother, who allowed me to share such great times we had in your formative years; I will always thank God for her as she birthed one of my greatest joys.

Loving you always,
Alice Faye

Our Father,
In thy great name I come before thee in the name of Jesus, in behalf of a dear sister and family in the loss of a dear brother named Daren. Lord you knew him better than his family and friends. Holy Father do grant them your grace, mercy and peace. I did not know the brother, but I do know some of the family, who are mourning his loss. Do have the family to know and follow your word which says, "For to me to live is Christ, and to die is gain" (Philippians 1:21).
