“ *Mr. Smith, gentleman at heart, jovial, good sense of humor, always willing to help if needed. This was the man that I got to know him as. It was a pleasure to be able to work with David. The many times that Mr. Smith and I had to plan and strategize to accomplish tasks and jobs will be remembered always. The courteous yet hyper, very personable man that he was made each and every job an interesting and entertaining accomplishment. Mr. David Smith will be truly missed; From us all, here, at the Worley Base Shops Jody Swanson*

To some 44 years might seem like a lifetime but to me it was just a blink of an eye. Cherish those you and never miss a chance to say I Love You.

I Love You, David and you will always be with me...

David is in some of my favorite memories. Know that the mark he left is a great one, and because of this he'll never really be gone.

David was a kindhearted, and generous person. As a recipient of his kindness, I will miss him greatly.
