

Diane M. Warner

September 20, 1946 - May 9, 2021

Diane Marie Warner left us on Mothers Day 2021. She had recently been diagnosed with a malignant tumor and due to a recent medical emergency, her passing was quick and unexpected.

Diane was a strong independent woman that always put her children's needs above her own. She was the bravest (and most hard-headed) woman we ever knew.

Diane leaves behind two children and several grandchildren whom she loved very much. She leaves behind her son Jonathan and his wife Dawn of Webb City, MO. She also leaves behind her daughter Tanya and her partner Joey of Waverly, IA. Her grandchildren, from oldest to youngest, are Alexis, Skyler, Hope and Adelynn (twins), Chase, Shyla and Dagan.

Diane was born in Paterson, NJ to Marian Eleanor Klinger and Oliver Daniel Ballard on Sept 20, 1946. She worked mostly in the food service industry and was a waitress for 20+ years. She loved the work as it gave her an opportunity to meet and talk with new people. From the mid 80's to the mid 90's our family lived in the Mojave desert. She LOVED the desert. The remainder of her life was spent between the states of Iowa, California and Missouri but she always had a soft spot for the desert life.

She will be deeply missed as we only begin to understand to what lengths.
You are always in our hearts!

“ Oh mother, I love how you always made me laugh. I loved being goofy and having fun with you. I loved annoying you with my pretend Oprah singing lol I loved the way you made coffee. I loved how supportive you were with everything we did. I loved how you excepted me into your family. I loved being your nurse and taking care of you. You always called me a little tuffy but since you've been gone it's been hard to be tuff. I think about you every day some days I laugh and some days I cry. I love and miss you. You will always have a special place in my heart ❤️

“ They say you never know how much you miss something until it is gone and it is so true! I wish I had more time. I hope you're finding friends and relatives and are happy. I am not losing myself. Love you mom!
