“ Dom worked with Tom when he had Flintstone hauling and then worked for Tom at Webber hauling and Dirtwork Specialist LLC for about 15 yrs+. He was an awesome guy and loved his family. I’ve seen some crazy stuff those guys would end up doing and couldn’t believe they lived thru it all..lol.....he fought pretty hard with his health issues over the years but he kept on working no matter what. Prayers to charity, Hannah, and Doms kiddos.
