JU

“ Don was a very kind person whom I looked forward to seeing when I went to the Colonnade Building for appointments. He was almost always there working and quick to say hello and share a funny story. My deepest condolences to his friends and family.

“ Heaven has gained a wonderful man! I'm so glad I got to know Bro. Johnson. I enjoyed & learned from the Sunday School classes he taught. He was always up for a chat & had so much good advice & perspectives on things. He crossed a lot of paths in his window washing business, & was a friend to many. It's going to be an adjustment with him gone now. My sympathy to his family & friends.

I have been a member of the same church as Bro. Johnson for 11 years. He was one of the first people I met. He was so well versed in the gospel & was a dedicated member & a great teacher! He loved his family and cherished his time with them! He will be missed by many but is rejoicing with those who have gone before. My condolences to his family & friends!
