“ *This was my Dad. I called him the best gift my mother ever gave me. He adopted me and my sisters when I was 12. He was the rock, the steady hand and made my life better just by being himself. He was humble kind, caring and loved his family above anything else on this earth. I had the privilege of caring for him when he moved to Joplin from The Dalles. I am blessed to have called him my Dad. I miss him terribly and I look forward to seeing him in heaven one day, in his heavenly body that is without frailty.  
I miss you Poppa.  
Love Susie*
