“ To Tod’s Mother. I want you to know how much I enjoyed working with Tod. He was a great employee and even though I was not in charge of the business when he left I continued to miss him. I hope you find comfort in knowing you raised a great young man and he will be missed. Spending time with him fishing after work will be memories I will cherish. Best Wishes to you and your family. . Reflecting on a lifetime of friendship. Tod was a loyal friend to all that he touched. I was lucky to be his friend for over 48 years. Time passed, and we always managed to stay in touch. We had a great conversation months ago and he spoke so fondly of each of you. I am truly at a loss. The world has lost a great man, son and brother. My love and thoughts are with you three as you put him to rest. Wish I could be there with you at this difficult time. Love always
