

Gregory Scott Decker

October 8, 1966 - July 31, 2025

Gregory Scott Decker died suddenly on July 31, 2025 at Freeman Hospital in Joplin, MO. He was 58 years old. He has been cremated and services will be held at a later date.

Greg was born October 8, 1966, the first son of Wesley Decker Jr and Mary Conrad Decker. Two years later, almost to the day, he became Big Brother, mentor, and chief tormentor for the first time, and again four years later. All three jobs he did well. As we all got older, Greg became more the first two and less the last one. He went on to become Big Brother and mentor to many coworkers.

Greg graduated from Northern Heights High School in Allen, KS in 1985. He attended Allen County Community College and later Pittsburg State University, where he graduated with a Bachelor's Degree in Education. Most recently he worked for TFI as a Technical Trainer.

In March 1992 Greg married Regina Williams and became a father. It was one of the best days of his life for both reasons. He stepped gladly into both roles and didn't look back. He loved it so much he became a father to his daughter's friends as well. When the time came, he added the role of Grandfather happily. Greg also made friends easily, but didn't suffer fools gladly. Father, grandfather, son, husband, brother, friend. Greg was all these and loved from all areas.

In recent years Greg and Gina spent their spare time making crafts and selling them at area craft fairs.

Greg is preceded in death by his father and all four grandparents. He is survived by his wife Regina, of the home, his mother Mary, two brothers Christopher (Kristi) and Wesley III (Amy), his daughter Andrea Parrot (Cody), and two grandchildren Daniel and Abby. He will be sorely missed by all who knew him.

Tribute Wall

“ You will always be my big brother, my mentor, my guide. I can't believe you're gone. Now I will only hear you talking in my head.
