“ *Robert and Jessika,
We are so sorry for your loss. You and your family will be in our thoughts and prayers always. I never had the opportunity to meet your Mom, but on the other hand, I generally do not meet parents unless there is a problem at school or with grades. Clearly, she has never needed to see me, because you two are "spot" on. She is now out of your sight, but she will never be out of your mind or heart... and that is what really matters. Mrs. Payton*
