“ My Mom's sister. Helen is the picture of strength, courage and family. She raised her kids alone and I never heard her complain about what she didn't have or how others let her down. Oh, what a homecoming they are having in heaven.

“ I am so thankful God placed her in my life. She had so much love for her family and friends. I enjoyed every minute I had with her. Her laugh was contagious and her hands contained that gentle loving touch I will never forget. You all are in my prayers. Love you all.
