“ Our deepest condolences - Hugh was such a special man, with such an infectious laugh. We enjoyed seeing him come out to our strip pit in Arcadia to “exercise the fish”! We thought so much of him - we named the area he launched his boat, “Hugo’s Cove” and painted a sign and posted it on our fishing bench in the cove.

Our deepest sympathy, Hugh was a good , hardworking man. We will miss him terribly, but have many fond memories of him.
