# Tribute Wall

BC

“ Iris and I go back over 40 years, Even as in our 20s room mates, We shared so many laughs and fun times, She was one of my dearest friends and My heart goes out for her children as she loved dearly, 2 weeks ago we talked about our time as kids and how our life has changed in so many ways, I love you my dear friend RIP as your pain is gone, until we meet again. Bertha
