“ DAVID and I were only 3 years apart in age and grew up more like siblings. We tormented each other daily growing up grew to love each other unconditionally. A piece of my heart will be forever lost with his absence and he will be forever missed. My only consolation is that he is with Nanny and Pa in heaven and not suffering anymore. I love you so much RIP .

“ To my lifelong friend...I will miss you but I am thankful that your suffering is over. I am so grateful that we had the opportunity to reconnected this past year so I could share how blessed I was to have you in my life.

David was my best friend when I moved into our neighborhood in Lakeland. We were nearly inseparable during our high school years and he was like another son to my mother and father. His mother and father, sister and nieces, also welcomed me into their lives and I am a better man because of it.

Kim and I will continue praying for his children and family. He was so very proud of you.

Rest in Peace my brother,

Jeff and Kim Pasquino
