# Tribute Wall

“ My daddy was an amazing man. One of my favorite memories is going catfishing with him. Just sitting by the water,talking about whatever and I youst to tell him daddy why do we have to use that stinky bait and he said it attracts the fish. He would tell me we gotta be quiet or you are gonna scare the fish away cause they could hear you. But I have lots of memories I could share. I love you daddy and miss you lots
