“ I'll never forget Jim. He was a very close friend to me. He had such a servants heart and had the sweetest personality! Feel so blessed for the close friendship we had. I'm just so devastated of him no longer being here. I'll never forget him. Him and I had a burden for others souls and why we witnessed on Face book. We had a lot in common. He was also proud of all of his sisters and know I'll be praying for all of you. Maybe soon the Lord will return and we will be reunited with our loved ones! Much love to all of you, Terry Bender
