“ *I remember when I was just a little kid, my uncle Nathan had bought him a doll for either his birthday or for Christmas I can't remember now but my uncle got it for him and I kept telling Nathan "Grandpa won't like it" And Nathan kept telling me he would like it bc all the other puppet dolls he had, he got from Grandpa and soon after Nate gave it to him, I asked him if he liked the doll and he kinda was like what doll and chuckled so I took it as he didn't have it so I went back to my uncle telling him he didn't have it. Well, I wish I could rewind time and tell Nate he still had it and Tell Grandpa I love him as much as possible. I'm sorry Grandpa I didn't tell you. I'm so sorry 🥹🥹. Please come back🥹🥹🥹🥹*
