

Jamie L. Murphy

September 11, 1955 - September 4, 2022

Jamie Murphy was a truly amazing and inspiring woman. She was a loving, strong-willed mother and grandmother, who worked extremely hard for many years to care for and provide for her family. While raising her first child, she worked as a CNA, but later obtained her LPN license and worked actively in her field until 2018. However, she was still a licensed nurse until her passing. Over the course of her 29-year career, Jamie touched the lives of countless people.

Jamie is survived by her two daughters; Tassie and Casey, three grandchildren; Kendra, Carley, and Madison, three great-grandchildren; Matteo, Winona, and Samson, four sisters; Myra, Paula, Karla, and Angela, one brother; Audie, nieces, nephews, and other family members.

Jamie is preceded in death by her grandmother; Ollie (Bertha), father; Jimmie, mother; Patricia, and two sons; Brandon and Charlie Jr.

There are no words that can properly express how greatly we will miss Jamie, as she left a memorable impression on everyone that she met in her life. She had a welcoming smile, listening ear, and the warmest heart that could make anyone feel seen as well as heard. Being a devoted Christian woman, she believed that we would be judged by the good that we did in our lives. She believed that everyone deserves a second chance and that we are all worthy

of redemption.

Our family finds comfort in knowing that our beloved Jamie watches over us from above. And, instead of being undone by the loss of her, we will cherish her memory and live lives that would make her proud.

We love you Grandma; you are always in our memories, and you are forever in our hearts. Until we see you again.

“ *My mother was such a wonderful woman. She lead a hard life, some by choice and most by force. My mother taught me to be strong and to rely on only yourself. Mom taught us compassion, empathy and loyalty along with so many other life lessons. She was so much fun!! I miss her every day but I am grateful she is no longer hurting. I love you mom! You touched so many lives. Casey K.*

“ *My aunt Jamie was always sweet to me and always believed in me and encouraged me. She had the biggest heart and always made you feel loved and accepted. When I was little I loved chocolate milk and every time I went to her house she had slimfast and would let me drink as much as I wanted and told mean old Gary to shut up because she paid for it and I could have as much as I wanted!!! I miss you Jamie and I know we will see each other again! Love Kerry*
