“ Aunt Kitty was my mom's youngest sister. When we were young we would spend a day or two each summer with her family in Salem. She was a very strong woman and we all loved her very much.

“ I have so many memories as well. She never ceased to have an open heart or an open door for her family. She always had a smile on her face no matter what she went through. I loved staying the night at nanny’s house. We would stay up for hours and watch the Secret Garden and Shirley Temple shows. I loved her so dearly and enjoyed spending each birthday with her. We always celebrated together since I can remember. I hold every single memory tight to my heart because I know that’s where she is.

“ Well my granny’s nickname from me was Granny Muff...cuz she was always running around with earmuffs on. She would go chasing Janet and I around Edna when we were young. And we would say here comes Granny Muff.
