“ This is a terrible loss! I worked with Jeff for many years at Americold. He trained me when I first started and he was the one responsible for getting me back into Dungeons and Dragons which I will forever be grateful for. He was a good friend and mentor and he will be dearly missed.

“ I am just devastated by this. Jeff was such a good friend with a wonderful sense of humor. He was so knowledgeable about so many IT things, movies, games, books...the list is just too long. I will truly miss our conversations.

God please bless Jeff's wife, children and family and help them heal from this terrible loss.
