“ I'm saddened to hear of Jeff's passing. I know we shared some great times "two or three" years back. Every school day when the recess bell would ring in Mrs Saxer's 2nd grade class, the race between Jeff & I was ON. We were insuring our spots on the two best swing set positions out on the playground at the far end of the Eugene Ware school campus. At some point, Jeff and his family moved to the west side and I didn't see him as much after that. There were a couple of 20 mile charity Bike-a-thons we peddled together over the years too. I also remember him from his time working at Sonic in Ft. Scott.
