“ Jeni was one of the greatest persons to have ever come into my life. Head strong and self motivated to always live life to the fullest everyday. She was a great mother, wonderful wife, and a beautiful friend. She will be missed dearly by everyone who knew her.

“ Jen was the sweetest, most beautiful, selfless, friend I have ever known. The world was a much better place while she was here. Jen was my cruise buddy and the Carribbean won't be the same without her.
