“ I met Joan around 10 years ago through my work. That job led to another, and another, and so on until seeing her and her husband Bruce and their dog Sammy became a regular occurrence. Over time it transformed from a work relationship to a friendship, and after a while her and her family became an extension of my own. I feel very fortunate that the simplest of circumstances introduced me to such a special person. Although life goes on it's never easy losing someone you hold dear, and Joan will always hold a special place in my heart, as well as my families. I only wish circumstances would have allowed us more time with her. May you Rest In Peace.
