

John W. Ethredge

November 25, 1959 - December 31, 2022

On 12-31-2022 at 10:41 pm, husband and father John Ethredge passed away after a long battle with multiple illnesses. He is survived by his wife Pilar, daughter Amanda, and son Andrew. John served as a medic in the United States Army from 1977-1983. He returned several years later to teach special forces including Green Berets, British special forces, and navy seals. He received his LPN certification while in the army and worked in many different areas, but his favorite places to work were in the ER and trauma center. In the late 90's, John decided to go back to school and receive his Bachelors in Education and began working at Corinthian Colleges in San Antonio, Texas as the Director of Education. Later in his career, he moved to Corinthian Colleges in Austin, Texas in the same position. He and his family then moved to Lubbock, Texas where he transferred to Kaplan Colleges. After several years with the company, he moved to the president of Computer Career Center in Lubbock, Texas. In 2013 he was forced into an early retirement due to his health and quickly became disabled. Since 2013, John had been battling against diabetes, hepatitis C, esophageal spasms, gastroparesis, and many others. John enjoyed spending time with his family, reading, practicing martial arts, and going to the firing range with his daughter. He will be greatly missed by his family.

“ I met John during a stint as car salesmen in San Antonio, Texas. We became friends and shared lots of laughs.

“ As his stepson, he was a good father always teaching me new things. I remember we bonded at a small arcade called diversions and loved lord of the rings series. He was always ready when I had some sort of question and always had an answer, he made sure I knew the value of being truthful. I will miss him as he was my father and a great man
