“ *My thoughts and prayers go out to Joyce, Lois, Sharon & Paula for their loss of their only wonderful brother John Paul. I've known John since he was born, our families lived just a few houses away from one another all of our childhood life. John was such a big help to me and so many others at the Walmart electronic counter with whatever problem anyone would have and always with that big friendly smile too. John I know that you're with Jesus now and with your Mom & Dad and your other sisters too. John you, your helpful help, your smile & big heart will be missed by so many here in Chanute. May you Rest In Peace 🙏*

“ *I've known John since the 80's. We did computers together. Talked about a lot of things together. I talked to him not too long ago. I will miss John.*
