“ *To Shane and Den,*

I was shock to here about Josh last night. He was like a big brother to Jeffrey and one of my Boys all these years. There are no words to deeply express how sorry we are for your loss. Josh meant the world to us. We will pray that the great memories that we all shared with him helps with the huge loss. I will be telling Jeffrey this evening when he calls. He will be devastated.

My # is 620-271-4013 please get me your address so, Jeffrey can write to you.

Our Love and thoughts are with you and your family.
