“It’s been an honor to have been a part of your life. Memories of our friendship will forever be in my mind. You will never be forgotten. I will always cherish the times we spent camping at the creek, fishing on the dock and especially making Christmas ornaments and cookies with our children. You have always had a positive attitude and helped everyone who’s ever known you. You have truly been “the wind beneath my wings”. Our deepest sympathies for your family.

*Susie, Johnny, and Leah*
