“ *Mr. Ken, I know you are home now. No one told me you passed but I felt it in my spirit. I cry writing this because I know where you are. And they are tears of joy. You are made whole again and no more earthly illness, sadness. I always looked up to you. I look forward to being reunited with you when I get home. Try not to tell to many of the angels jokes about the catfish! I love you, Mr. Ken! You will always be near and dear to our hearts! I bet it is so awesome to be walking on the streets of Gold! I will check in on Mrs. Sharon as often as I can.*

*Love Rodney & Toni Rogers!*
