“ Larry impacted my life for 68 years. Since he was three years older than me and Kenny, I was always watching and learning from him particularly as we made our way thru our early years. We shared a love of family, sports, music, and everything outdoors. He was a Great Son, Great Father and Grandfather. Larry will be sorely missed, but I know the Jacobs family is very strong and well prepared to succeed in whatever they decide to pursue. I'm sure that we can all draw on some of Larry's Words of Wisdom to guide us. Joyce, you and the family have always been in and will always be in my thoughts and prayers.

I Love You All.
