“ Brian dropped his hat last night while we were out to eat with his brother. I said, "GOTDOWNONTHEFLOOR"!! Just like you used to, making it sound like cursing even though it isn't. Had to explain to the brother what I'd said and where I got it from. He laughed. Even over 3 years gone and you're still making people laugh. Miss you Dad.

“ So many memories full of love. I wish everyone could have met you. A very caring and loving soul. I wish everyone could have met you. I miss you everyday. I love you.

Linda Marsh - sister - July 07, 2021 at 04:59 PM

“ *Hard to believe you are gone and that we didn't get to say goodbye.  
Love you.* ”
