

Laura M. Martin

May 23, 1960 - February 5, 2025

Lori Martin, age 64, passed away February 5th, 2025.

Lori is survived by her husband, Tony Martin, and her children, Rhonda Cobabe and Dallas Baldwin. This family she built for herself through blood or choice meant everything to her.

She loved the unobjectively beautiful things in life: art, food, music, and people.

She welcomed everyone into her world and enjoyed being invited into other's.

She was smart, goofy, stubborn, kind, weird, funny, and everything else good you could ever ask for in a human being.

She was the true essence of life.

Upon her request: "I don't want a bunch of sad people meeting in a sad room." Therefore, there will be no official services.

In lieu of a physical gathering, the family humbly asks:

Please take a photo of yourself cheering Lori, tag her in the photo on Facebook, and share your favorite memory in the post.
