“ Leon was our neighbor for 11 years. I have never had a better one, he was always smiling and laughing. He was always right there when something went wrong to lend a helping hand. He always call my son Tyler hot-rod, and called our dog "barky"(he did not like the dog, lol) He even stopped by where I work just because he seen me outside and wanted to say hi. God broke the mold when He made Leon, he was one of the greatest men I've ever had the honor of knowing. Donna Westhoff
