“ I have so many memories with Lucy and she shared tons of funny stories with me in our time together.... Some she probably wouldn't want me to share on here. 😊. I truly loved Lucy and enjoyed every moment I got to spend with her and feel so blessed that I was able to get to know her. She has touched so many and had a character that made people want to be around her. She was honest, funny, and caring.... she was completely authentic..... which is so hard to find in people these days! My condolences to Summer, Carissa, and the rest of her family as I know she will be greatly missed! I will be praying for peace that passes all understanding..... my love to you all!
