“ *Mel was my step father. At first it was hard to want a relationship with him because it felt like I was disrespecting my father but over the last almost 5 years we here closer and I believe my father would have been ok with me thinking of Mel as a father figure. He was always so nice and sweet to me and my kids and he loved my mom so very much. I know that time heals all wounds but the kids loss of this man is going to weigh heavy on my heart for sometime. Rest is peace daddio Mel. Ur granddaughters and I will miss u very much gone but never forgotten. We love you.*
