

Mia M. Singleton

October 3, 1945 - March 7, 2022

My beloved mother, Mia Singleton, passed on Monday March 7th. She was preceded in death by several family members & friends. She loved to say they were waiting on her with a cup of coffee! She is survived by her daughters Theresa & Elizabeth and her son Randall. She loved being "Nana" to her grandchildren Luke, Sarah & Abby. They brought her so much joy. She was a big baseball fan. Her home team was the SD Padres but also adopted the STL Cardinals as well. All who knew her will miss her talks and advice. God bless you Mom. Be at Peace.
