“ I just found out that Patti had passed away. So sorry for your loss. I used to cut her hair and that's how I became acquainted with her. She was a very sweet lady, I've wondered about her often. Thoughts and prayers for her family and friends 🙏.

“ Patti and David are very good friends of mine. Patti and I worked together for years and actually was the one that got me the printing job. She was a friend and mentor. We were like family. When I married my wife Patti and David made her like part of the family too. Very special woman in my life and I'm very lucky to have had her in my life. God Bless this Angel. Till we meet again.
