“ I was saddened to read of Paula’s passing. We worked together in Joplin and had lunch together weekly my first few years in the Joplin School District. She was very kind and loved working with children. May she rest in heavenly peace. Sue Hudson Combs

Paula was a dear friend who cared deeply for others. For several years after retirement, Paula and I periodically had lunch or went on an outing. In recent times, we kept in touch by phone. Oh, how I will miss her laughter, positive outlook, and encouraging words. To Paula’s family—Jim and I are so sorry for your loss.
