“ I'm so sorry for the loss of your precious mother, sister, grandmother and aunt. Peggy was a very special soul. She was one of my closest friends in junior high and high school. She was such a bright ray of sunshine, always smiling with those gorgeous dimples and a twinkle in her eyes. She was a loyal friend. We touched base periodically through life. She was a loving mother to her children. She weathered some very hard storms in life, and was very authentic. She was accepting of others and supportive in my times of need. She found a deep faith in her later years. She will be deeply missed.
